

Field of study: Mechanics and machine construction

Field of specialisation: 1. Computer aided engineering, 2. Designing and manufacturing machines

Educational level: 4 (first-cycle studies)
Qualification level (PRK): general academic
Education profile: engineering mechanics - 100%
Science discipline: 0723
Code ISCED: part-time study
Mode of study: regular
Professional title awarded to graduates:

Main curriculum table with columns for subject name, examination, credit, hours, and ECTS credits across semesters I-VII. Includes groups A (Basic science), B (Obligatory course), C (Field of specialisation), and D (Humanities and social sciences).

Legend: L - lecture, C - classes, Lab - laboratory, P - project, S - seminar, E - exam, Z - exam, K - exam, ZB - exam, H - exam

Summary table showing semester-wise ECTS credits and deficit of ECTS credits allowed after individual semesters (1-7).
